Subject: 2012 Registration for Installers, Septage Haulers and Service Providers

As the New Year nears itself, it is once again time to renew your Registration and Surety Bonds with this department as an Installer, Septage Hauler or Service Provider.

Current legislation is still pending for new rules to be drafted. The date for new rules has tentatively been set for January 1, 2013. We will continuously update contractors with rule changes and educate the public on an as needed basis.

Please find enclosed application(s) to renew your registration with this department as an Installer, Septage Hauler or Service Provider. **Also, note that we will not be accepting Bond Continuation Certificates for annual renewals.** Please forward the enclosed Bond form to your insurance company for completion. Additional forms can be found on our web site @ allencountyhealthdepartment.org.
