Topic: Strengthen Your Company's Sun Protection Factors

As you look around your workplace, these are a few tips you as a manager can influence to support safer, healthier employees.

- We provide sun protection education programs to all employees.
- We provide training to employees to enable them to work safely in the sun.
- We have policies and practices in place that protect our employees from UV sun exposure. Click [here](#) for a sun-safe worksite guide.

We conduct a risk assessment to identify employees who have a high risk of exposure to solar UV radiation.	Yes	No
We require use of sun protection control measures by outdoor workers during midday hours (10 a.m. to 4 p.m.). <i>Sun protection control measures may include a wide brimmed hat, sun-protective clothing, sunglasses with 100% UVA & UVB protection, sunscreen with SPF 15 or higher.</i>	Yes	No
We provide shaded areas or temporary shade for outdoor employees where possible.	Yes	No
